- 10.2 CRED IQ Data Updates. CRED IQ Data provided to Customer may be updated on an ongoing basis and provided according to the criteria used to define the scope of the CRED IQ Services. Customer understands and acknowledges that the contents of CRED IQ Data will change over time as the data is updated, and that at any given time, Customer has a right to access and use the CRED IQ Data to which it is subscribed as it exists at that time. Certain portions of the CRED IQ Services may be provided by CRED IQ's third-party licensors, and CRED IQ's ability to provide such information may be subject to the willingness of such licensors to continue to contract with CRED IQ.

11. **WARRANTY DISCLAIMER.**

CUSTOMER ACKNOWLEDGES THAT THE CRED IQ SERVICES (INCLUDING BETA SERVICES) ARE PROVIDED ON AN “AS IS” AND “AS AVAILABLE” BASIS. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, CRED IQ, ITS LICENSORS AND SUPPLIERS EXPRESSLY DISCLAIM ALL, AND MAKE NO, WARRANTIES OF ANY KIND (WHETHER EXPRESS, STATUTORY, IMPLIED OR OTHERWISE ARISING IN LAW OR FROM A COURSE OF DEALING OR USAGE OF TRADE) WITH RESPECT TO THE CRED IQ SERVICES, INCLUDING, WITHOUT LIMITATION, THE CONDITIONS OR WARRANTIES OF MERCHANTABILITY, MERCHANTABLE QUALITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, OR LOSS OF DATA. CRED IQ FURTHER EXPRESSLY DISCLAIMS ANY AND ALL LIABILITY ARISING OUT OF OR RELATING TO ANY THIRD-PARTY SITES LINKED TO FROM THE CRED IQ SERVICES. CRED IQ DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE CRED IQ SERVICES WILL MEET CUSTOMER’S REQUIREMENTS OR THAT THE OPERATION OF THE CRED IQ SERVICE WILL BE UNINTERRUPTED OR ERROR-FREE OR THAT DEFECTS WILL BE CORRECTED. CRED IQ NEITHER ENDORSES THE CONTENTS OF ANY CUSTOMER DATA NOR ASSUMES ANY RESPONSIBILITY FOR ANY INFRINGEMENT OF THIRD PARTY RIGHTS ARISING THEREFROM OR ANY CRIME FACILITATED THEREBY. EXCEPT AS OTHERWISE AGREED TO BY CRED IQ, CRED IQ IS NOT OBLIGATED TO PROVIDE CUSTOMER WITH ANY UPDATES TO THE CRED IQ SERVICES BUT MAY ELECT TO DO SO IN ITS SOLE DISCRETION.

12. INDEMNIFICATION.

Customer shall indemnify, hold harmless, and defend CRED IQ and its officers, directors, employees, agents, affiliates, successors and permitted assigns (collectively, “**Indemnified Party**”) against any and all losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including reasonable attorneys’ fees, that are incurred by an Indemnified Party arising out of any third-party claim (a) alleging breach or non-fulfillment of any representation, warranty or covenant under this Agreement by Customer or its Authorized Users (including use of a CRED IQ Service in violation of this Agreement), (b) alleging any grossly negligent or more culpable act or omission of Customer or its Authorized Users, including any reckless or willful misconduct, in connection with the performance of its obligations under this Agreement, or (c) relating to, or arising out of, the use or provision of any Customer Data.

13. LIMITATION OF LIABILITY.

13.1 Limitation of Liability. IN NO EVENT SHALL THE AGGREGATE LIABILITY OF CRED IQ, TOGETHER WITH ALL OF ITS AFFILIATES, ARISING OUT OF OR RELATED TO THIS AGREEMENT EXCEED (A) THE GREATER OF TOTAL AMOUNT PAID BY CUSTOMER AND ITS AFFILIATES HEREUNDER FOR THE SERVICES GIVING RISE TO THE LIABILITY IN THE TWELVE (12) MONTHS PRECEDING THE FIRST INCIDENT OUT OF WHICH THE LIABILITY AROSE OR (B) ONE THOUSAND DOLLARS (\$1,000). THE FOREGOING LIMITATION WILL APPLY WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF LIABILITY.

13.2 Limitation on Consequential Damages. UNDER NO CIRCUMSTANCES SHALL CRED IQ, OR ITS LICENSORS BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION AND THE LIKE) ARISING OUT OF OR RELATING TO THIS AGREEMENT, INCLUDING THE USE OR INABILITY TO USE THE CRED IQ SERVICES, EVEN IF CRED IQ HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

13.3 Exceptions. The limitations set forth in Section 13.1 and 13.2 do not apply to CRED IQ’s (i) willful misconduct or gross negligence, or (ii) liability or loss which may not be limited by applicable law.

- 13.4 **General.** Each party agrees that these exclusions and limitations shall apply even if this Agreement or any limited remedy specified herein is found to have failed of its essential purpose. These limitations are integral to the calculation of fees in connection with the license of the CRED IQ Services, and were CRED IQ to assume any further liability, such consideration would out of necessity have been substantially increased.

14. **COMMUNICATIONS CONSENT.**

Customer agrees that CRED IQ may contact Customer via email, telephone or text messages using the contact information provided by you or on your behalf in connection with your use of the CRED IQ Services, including for marketing purposes. Customer also understand that you may opt out of receiving such marketing communications from CRED IQ at any time by contacting support@CRED-IQ.com. If Customer does not choose to opt out, CRED IQ may contact you as described herein.

15. **GENERAL.**

- 15.1 **Remedies.** Customer acknowledges and agrees that the CRED IQ Services have been developed at significant cost and have significant commercial value to CRED IQ, and that CRED IQ may suffer irreparable harm as a result of any breach of this Agreement for which monetary damages would not be an adequate remedy. Therefore, in addition to all other remedies available at law or otherwise (which CRED IQ does not waive by the exercise of any rights hereunder), CRED IQ will be entitled to seek specific performance and injunctive and other equitable relief as a remedy for any such breach or threatened breach, and Customer hereby waives any requirement for the securing or posting of any bond or the showing of actual monetary damages in connection with such claim.
- 15.2 **Publicity.** CRED IQ may refer to Customer as one of its customers and use Customer's logo as part of such reference. With Customer's prior written approval, including if specified in the applicable Order Form, (i) CRED IQ may either (a) issue a press release announcing the relationship between CRED IQ and Customer, or (b) submit a joint press release to Customer for Customer's approval, such approval not to be unreasonably withheld or delayed; and (ii) Customer will be a reference account for CRED IQ; provided, however, that CRED IQ will provide Customer with reasonable notice and obtain Customer's consent before scheduling any reference calls or site visits.
- 15.3 **Modifications to this Agreement.** CRED IQ may modify the terms and conditions of this Agreement (which may include changes to CRED IQ Services pricing and plans) from time to time with notice to Customer in accordance with Section 8.2 (Term of Order Forms), this Section 15.3, and Section 15.4 (Notices).
- (a) **Free Trial.** If Customer has a Free Trial, any modifications will become effective immediately, and if Customer objects to the modifications, its exclusive remedy is to terminate this Agreement and cease using the CRED IQ Services.
- (b) **Paid Subscription.** Unless a shorter period is specified by CRED IQ (e.g., due to changes in the law or exigent circumstances), the modifications become effective upon renewal of Customer's current Term or entry into a new Order Form. Customer may be required to click to accept or otherwise agree to the modified Agreement in order to continue using the CRED IQ Services, and, in such event, continued use of the CRED IQ Services after the updated version of this Agreement goes into effect will constitute Customer's acceptance of such updated version.
- 15.4 **Notices.** All notices permitted or required under this Agreement shall be in writing. If to CRED IQ, notices must be provided to the address set forth below in this Section 15.4, and shall be deemed to have been received (i) if given by hand, immediately upon receipt; (ii) if given by overnight courier

service, the first business day following dispatch or (iii) if given by registered or certified mail, postage prepaid and return receipt requested, the second business day after such notice is deposited in the mail. If to Customer, CRED IQ may provide notice to Customer's email address on file or through the CRED IQ Services and such notices shall be deemed to have been received upon delivery. Either party may update its address with notice to the other party.

- 15.5 Assignment. Neither party may assign this Agreement, or any of its rights of obligations hereunder, without the other party's prior written consent, provided, however, that CRED IQ may assign this Agreement, in whole or in part, without Customer's prior written consent (a) to one of its affiliates, or (b) to any entity that acquires (whether by merger, reorganization, acquisition, sale or otherwise) all or substantially all of the business or assets of CRED IQ to which this Agreement relates. Any assignment made in violation with this Section 15.5 shall be void, and this Agreement shall benefit and bind the permitted successors and assigns of the parties.
- 15.6 Relationship of Parties. CRED IQ and Customer's relationship is solely that of independent contractors, and this Agreement will not establish any partnership, joint venture, employment, franchise or agency between CRED IQ and Customer. Neither CRED IQ nor Customer will have the power to bind the other or incur obligations on the other's behalf without the other's prior written consent.
- 15.7 Export Control. Customer understands and acknowledges that the CRED IQ Services are subject to regulation by agencies of the United States, including, but not limited to, the U.S. Department of Commerce, which prohibit export or diversion of certain products and technology to certain countries. Any and all obligations of CRED IQ to provide the CRED IQ Services shall be subject in all respects to such laws and regulations as shall from time to time govern the license and delivery of technology and products abroad by persons subject to the jurisdiction of the United States, including without limitation the U.S. Export Administration Act of 1979, as amended, any successor legislation, and the Export Administration Regulations issued by the U.S. Department of Commerce, Bureau of Export Administration. Customer represents and warrants that Customer will comply with the U.S. Export Administration Regulations and other laws and regulations governing exports in effect from time to time.
- 15.8 U.S. Government-Restricted Rights. If a CRED IQ Service is licensed to the United States government or any agency thereof, then such CRED IQ Service will be deemed to be "commercial computer software" and "commercial computer software documentation," respectively, pursuant to DFARS Section 227.7202 and FAR Section 12.212, as applicable. Any use, reproduction, release, performance, display or disclosure of a CRED IQ Service and any accompanying Documentation by the U.S. Government will be governed solely by this Agreement and is prohibited except to the extent expressly permitted by this Agreement.
- 15.9 Governing Law; Dispute Resolution; Arbitration.
- (a) **Governing Law**. This Agreement shall be governed by the laws of the State of New Jersey, excluding its conflict of laws rules. The United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.
- (b) **Dispute Resolution**. Customer agrees that in the event of any dispute, controversy or claim (each, a "**Claim**") between Customer and CRED IQ, Customer will first contact CRED IQ and make a good faith sustained effort to resolve the dispute before resorting to more formal means of resolution, including without limitation any court action.

(c) **Arbitration Agreement.**

- (i) After the informal dispute resolution process, any remaining Claims relating in any way to Customer's use of the CRED IQ Services, or relating in any way to the communications between Customer and CRED IQ or any other user of the CRED IQ Services, will be finally resolved by binding arbitration. This mandatory arbitration agreement applies equally to Customer and CRED IQ. However, this arbitration agreement does not (a) govern any Claim by CRED IQ for infringement of its Intellectual Property Rights or use of or access to a CRED IQ Service that is unauthorized or exceeds authorization granted in this Agreement or (b) bar Customer from making use of applicable small claims court procedures in appropriate cases. If Customer is an individual, Customer may opt out of this arbitration agreement within thirty (30) days of the date on which Customer first accesses or uses a CRED IQ Service by following the procedure described below.
- (ii) Arbitration is more informal than a lawsuit in court. There is no judge or jury in arbitration. Instead, the Claim is resolved by a neutral arbitrator. Court review of an arbitration award is limited. Except to the extent the parties agree otherwise, arbitrators can award the same damages and relief that a court can award. Customer agrees that the U.S. Federal Arbitration Act governs the interpretation and enforcement of this provision, and that Customer and CRED IQ are each waiving the right to a trial by jury or to participate in a class action. This arbitration provision will survive any termination of this Agreement.
- (iii) If Customer wishes to begin an arbitration proceeding, after following the informal dispute resolution procedure set forth in Section 15.9(b), Customer must send a letter requesting arbitration and describing its claim to Co-Founder, Managing Partner, 290 King of Prussia Road, Radnor, PA 19087. The arbitration will be administered by the American Arbitration Association (AAA) under its rules including, if Customer is an individual, the AAA's Supplementary Procedures for Consumer-Related Disputes. If Customer has accessed or used the CRED IQ Services on behalf of an entity, the AAA's Commercial Arbitration Rules will be used. The AAA's rules are available at <http://www.adr.org/rules> or by calling 1-800-778-7879.
- (iv) The number of arbitrators will be one; provided such arbitrator has at least ten years' experience in commercial litigation in the software industry. Customer may choose to have the arbitration conducted by telephone, based on written submissions, or in person in the county of residence or at another mutually agreed location. The arbitration will be conducted in the English language. New York law will apply. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.
- (v) Payment of all filing, administration and arbitrator fees will be governed by the AAA's rules. If Customer is an individual and has not accessed or used the CRED IQ Services on behalf of an entity, CRED IQ will reimburse those fees for claims totaling less than \$10,000, unless the arbitrator determines the claims are frivolous, and CRED IQ will not seek attorneys' fees and costs in arbitration unless the arbitrator determines the claims are frivolous.
- (vi) The arbitrator, and not any federal, state, or local court, will have exclusive authority to resolve any Claim relating to the interpretation, applicability, unconscionability, arbitrability, enforceability, or formation of this arbitration agreement, including any claim that all or any part of this arbitration agreement is void or voidable. However, the preceding sentence will not apply to Section 15.9(d) (Class Action Waiver) below.
- (vii) If Customer does not want to arbitrate Claims with CRED IQ and Customer is an individual, Customer may opt out of this arbitration agreement by sending an email to [!](#)

support@cred-ig.com within thirty (30) days of the date on which Customer first accesses or uses a CRED IQ Service.

(d) **Class Action Waiver.**

- (i) Any Claim must be brought in the respective party's individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding ("**Class Action**"). The parties expressly waive any ability to maintain any Class Action in any forum. If the Claim is subject to arbitration, the arbitrator will not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any person or entity not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator.
- (ii) If this class action waiver is found to be unenforceable, then the entirety of the Arbitration Agreement, if otherwise effective, will be null and void. The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. If for any reason a claim proceeds in court rather than in arbitration, Customer and CRED IQ each waive any right to a jury trial.

- 15.10 Waiver. Any waiver of the provisions of this Agreement or of a party's rights or remedies under this Agreement must be in writing to be effective. Failure, neglect, or delay by a party to enforce the provisions of this Agreement or its rights or remedies at any time, will not be construed and will not be deemed to be a waiver of such party's rights under this Agreement and will not in any way affect the validity of the whole or any part of this Agreement or prejudice such party's right to take subsequent action. Except as expressly stated in this Agreement, no exercise or enforcement by either party of any right or remedy under this Agreement will preclude the enforcement by such party of any other right or remedy under this Agreement or that such party is entitled by law to enforce.
- 15.11 Severability. If any provision of this Agreement is held invalid, unenforceable, or void by a court of competent jurisdiction, such provision will be enforced to the maximum extent permissible, and such holding will not affect the remaining terms. The invalid, unenforceable, or void provision will be deemed amended or replaced by a valid, legal, and enforceable provision that matches the intent of the original language as closely as possible.
- 15.12 Force Majeure. Except for payment obligations, neither party shall be in default if its failure to perform any obligation under this Agreement is caused by supervening conditions beyond that party's reasonable control, including acts of God, civil commotion, war, strikes, labor disputes, third-party Internet service interruptions or slowdowns, vandalism or "hacker" attacks, acts of terrorism or governmental demands or requirements.
- 15.13 Entire Agreement: Conflicting Terms. This Agreement, together with any Order Form, constitutes the entire agreement between the parties and supersedes all prior or contemporaneous agreements and understandings between the parties relating to the subject matter hereof. In the event of any conflict or inconsistency among the following documents, the order of precedence shall be: (1) the applicable Order Form, and (2) this Agreement. The parties agree that any term or condition stated in any Customer purchase order or in any other of Customer's order documentation (excluding Order Forms) is null and void.
